Technical Support Representative Tier 1

Description

GENERAL JOB OVERVIEW

A Technical Support Tier 1 Representative will be part of a team that individually answers customer questions and troubleshoots technical issues. Tier 1 is responsible for positively building and maintaining our company's reputation by providing excellent customer service, technical support, and implementing actual solutions to technical problems and customer issues that minimize service call truck rolls.

ESSENTIAL DUTIES AND RESPONSIBILITIES

- Answering customer calls quickly and efficiently while maintaining quality and solution implementation
- Fielding calls and mitigating calls to other departments as needed
- Respond quickly to customer requests and tickets, use email and phone to communicate information, record details and implement solutions
- Work with Tier 2 team to communicate and escalate customer technical issues quickly and efficiently
- Self-manage a steady workflow effectively and efficiently
- Troubleshoot Dish issue and escalate to Tier 2, if necessary
- Communicate and work as part of a team, sharing information, learning from each other, and maintaining the common goal of solving customer problems quickly and efficiently
- Sharing knowledge with group lead so that new knowledge is recorded and shared in a knowledge-based (KB) article
- Clearly and concisely documenting communications with Customers

COMPETENCIES

- Great communication skills both verbal and written
- Great Customer Service skills, both verbal and written
- Ability to work in a team environment and independently to solve problems and gain/share knowledge
- Proficient with technical troubleshooting
- Good note taking and documentation skills
- WISP or Wireless experience a plus, but not required
